

## **IMPORTANT NOTICE**

**We wish to advise all our customers that we are taking all necessary precautions during this difficult time and are doing our utmost to reduce the spread of Covid-19 in our restaurant.**

Keeping our restaurant clean and safe. We remain committed to the highest standards of hygiene and cleanliness and have strengthened our detailed procedures in this area to minimise the spread of COVID-19. These include:

- Sanitising tables, high chairs, self-order screens, tablets and table service locators more frequently throughout the day;
- Cleaning contact points such as door handles, card readers, taps and hand rails even more regularly with disinfectants;
- Reminding all employees of the importance of thorough and frequent hand-washing.

**Finally, we request that you follow correct guidelines by HSE, to ensure you protect our safety, washing hands when visiting our restaurant, practice good sneezing, Coughing etiquette: do not cough or sneeze without covering your mouth 'use you elbow' NOT HANDS!**

**We will continue to follow recommendations issued by HSE in relation to virus and update our staff accordingly**

**Thank you for your co-operation  
Zufa TEAM**
